ACT 159 ~ AN ACT RELATED TO TRANSPORTATION FUNDING

**THIS BULLETIN CONTAINS INFORMATION AFFECTING A
MAJORITY OF DMV FEES, PLEASE REVIEW CAREFULLY.**

****All new fees are effective July 1st, 2016.**

VERMONT STRONG PLATES: Per Executive Order the Vermont Strong campaign will continue. Plates may continue to be displayed on the front of vehicle, in front of the registration plate. The DMV will continue to sell Vermont Strong Plates for \$25.00.

As a result of Act 159, a majority of Department of Motor Vehicle fees will increase. Included in this bulletin are charts for all the DMV fee changes that will or may affect your dealership.

Fees that have changed are: assorted vehicle, boat, snowmobile registrations, all plate fees, all title and lien fees, and other assorted dealer specific fees.

Attached at end of bulletin (in order of appearance):

- Fee Charts
- Truck Fee Schedule
- List and Description of Forms Revised

DMV FORMS

It is important you obtain a supply of the revised forms with the new fees. On the last page of this bulletin is a table that lists all the affected forms by form number and form name.

For dealers who use and/or submit any of the listed forms, you will need to order the revised forms on a DMV Stockroom order form.

Destroy forms with the old fees on July 1st and replace with updated forms. Once your order is placed with the stockroom, your order will be shipped to you as the new forms are received.

The Pro-Rated Fee Schedule, form # TA-VD-123, is not attached to this bulletin. You may find this form on the DMV website at www.dmv.vermont.gov. Please keep in mind you will need to keep the prior version of the pro-rated fee schedule through 2016 for purposes of giving credit for weight changes, fuel changes, etc. If you would like us to send you a copy of the Pro-rated Fee Schedule, please contact the Dealer Unit at (802) 828-2038 or by e-mail:

dmv-dealersinspections@vermont.gov.
